AUCTION CUM TENDER TERMS & CONDITIONS

1. Sealed tenders are invited from the Registered Contractors of Arasu Rubber Corporation Limited for right to do slaughter tapping of Latex, felling and removal of matured rubber trees in Arasu Rubber Corporation Limited, as shown in the Annexure-I. The Earnest Money Deposit for the Auction cum Tender is as shown in the Annexure-I (payable through a Demand draft drawn in favour of Arasu Rubber Corporation Limited, payable at Nagercoil). If the date of Auction cum Tender happens to be a holiday due to unforeseen reasons, the Tender shall be received and opened on the succeeding working day, at the same time and place as was fixed for the auction. If, on account of unavoidable circumstances, the auction could not be conducted, another date will be given for conducting the auction. Such received sealed Tenders will be opened only after the auction. The revised date for auction cum tender will be published on the Notice Board in the Regd. Officer of Arasu Rubber Corporation Limited, Nagercoil. Registered contractors of Arasu Rubber Corporation Limited, who have submitted tender documents on or before the due date and time, as per this tender

notice condition, will be allowed to participate in the auction. On account of delayed auction, the Corporation will not be responsible for payment of any interest on the EMD enclosed along with the tender schedule and no such claim will be entertained by the Corporation.

2. Contractors entering into litigation on any contract made by them shall not be allowed to participate in any succeeding tenders or auction of Arasu Rubber Corporation Limited, until the litigation is settled.

3. The tender schedule can be obtained from Registered office in person or can be downloaded from our website [www.arasurubber.tn.gov.in](http://www.arasurubber.tn.gov.in) and submitted to the Registered Office (along with the cost of tender schedule in the form of Demand Draft / Cash Receipt) as per schedule indicated in the Table-A in Page 1. The tenderers intending to send the tenders, by post, shall seal the envelope and send the cover by Registered Post superscribed as "Tender for slaughter tapping and removal of matured rubber trees" so as to reach this office on or before prescribed date and time. Tenders received after the stipulated date and time will not be considered. Auction will be conducted as indicated in Table -A and tender will be opened on completion of Auction by the Divisional Manager or any Officer authorized by the Managing Director in the presence of bidder/tenderers.

4. The rate should be quoted per tree basis including all related costs viz., cost of latex and scrap, felling & removal charges, etc. Separate tender should be submitted for each bit/coupe as per tender notification schedule in Annexure-I along with EMD in separate tender schedule.

5. The cost of tender schedule will not be refunded at any cause.

6. The Solvency certificate as per the Annexure - I should be enclosed along with the Tender schedule. The solvency certificates should have been issued by the Tashildar, at least six months within the date of Auction cum Tender. If the Tender schedules are not attached with valid Solvency certificate, the entire tender / sale value should be remitted in the form of Demand Draft drawn in favour of Arasu Rubber Corporation payable at Nagercoil at the time of Auction/Tender. If a contractor has solvency for lesser value, the difference in amount may be remitted as Demand Draft drawn in favour of "Arasu Rubber Corporation Limited" at the time of Auction/Tender. The tenderer who have neither produced the solvency to the extent given in the annexure nor remitted the difference amount by Demand Draft will not be allowed to participate in the Auction/Tender.

7. The total No. of trees shown in the annexure-I are inclusive of standing matured rubber trees of various girth class and broken rubber trees if any. The tenderer, if he/she wants, should inspect the coupes at his own cost and expenses and satisfy himself regarding the numbers, condition, quality etc. of trees before quoting the rate. No dispute will be entertained after submitting the tender documents. The decision of the Managing Director will be final in all cases.

8. Tender offers submitted in any other mode, other than as mentioned above, will be rejected.
9. The post sale offer after opening of tender/auction will be considered by the Managing Director, Arasu Rubber Corporation Limited subject to the following conditions:
  - I. The contractor shall submit a written unconditional application to the Managing Director, Arasu Rubber Corporation Limited within three days of auction / tender along with a Demand Draft for value exceeding additional 15% of the amount already offered for the Coupe in the name of Managing Director, Arasu Rubber Corporation Limited. If the total value is not enclosed, offer will be rejected. Further, the post sale offer by cash payment/cheque will not be accepted. All the post sale offer should be sent to Managing Director, Arasu Rubber Corporation Limited only.
  - II. Three days shall be reckoned three working days (excluding holidays) from the date of tender / auction. The post sale offer should be given on the Corporation working days only.
  - III. The Managing Director reserves the right for himself for taking decision on the Tender/auction without waiting for post sale offer. The right cannot be stopped by any contractor. The decision of the Managing Director is final on this and the contractor are bound by the decision of the Managing Director.
  - IV. The post sale offer will be entertained only one time for the sale. As per the rule mentioned in para (ii), the post sale offer should be given within three days from the date of tender/auction. The post sale offer given within 3 days will be brought to Public auction. In the auction, all contractors including the highest bidder of previous tender/auction and the post sale offerer can participate. The highest offer received in the public auction alone will be taken for confirmation of post sale offer, after this public auction will not be accepted at any cost.
10. Participants who intend to tender/bid on behalf of another firm/person should be a holder of duly executed specific Power of Attorney on a stamp of requisite value in his favour authorizing him to do so, or the legal heir of such persons.
11. Tender submitted jointly by more than one person shall not be accepted unless such person/persons are members of a Registered company or Firm, and the tender submitted is on behalf of such company/firm duly sealed with the stamp of that company or firm.
12. Tenders/Bids from persons who are black listed, convicted or who are minors or who have failed to pay Government dues or who are insolvent will not be accepted. The Managing Director or the Officer authorized by him reserves absolute authority in accepting/rejecting any tenders/bids.
13. All correction/additions/alterations in the tender schedule should be attested with full signature.

14. The address for communication should be mentioned clearly along with contact phone numbers.

15. The Managing Director, Arasu Rubber Corporation Limited has the discretionary powers to relax any of the condition (s) in the interest of the Corporation. The Managing Director, Arasu Rubber Corporation Limited or the Officer authorized by him shall made decisions on allowing any contractor to participate in the tender or auction either during or after the tender/auction.

16. The sale value should be remitted by the successful Contractor/bidder in Demand Draft Payable in favour of "Arasu Rubber Corporation Limited at Nagercoil in three installments as tabulated below:

Table – B

Sl. No.	Installment	Percentage to be remitted in Total sale value	Time stipulated for remittance of each installment
1	First (1/3 <sup>rd</sup> of Trees)	40	On or before 15 <sup>th</sup> day of receipt of confirmation order.
2	Second (1/3 <sup>rd</sup> of Trees)	30	On or before 30 <sup>th</sup> day from the date of remittance of First installment
3	Third (1/3 <sup>rd</sup> of Trees)	30	On or before 30 <sup>th</sup> day from the date of remittance of second installment.

17. The contractor must pay 1<sup>st</sup> installment (as indicated in Table 'B') within 15 days of receipt of confirmation order, failing which the EMD will be forfeited and the Coupe/Bit will be brought for Re Auction or Sale. Thereafter, the contractor must pay the 2<sup>nd</sup> and 3<sup>rd</sup> installment within stipulated time /due date as indicated in Table 'B'. If the contractor fails to make payment within stipulated time /due date time will be extended up to 15 days with penal interest of 12% of the dale value amount for every delayed day. After this, the confirmation order will be cancelled and EMD will be forfeited.

18. The entire work should be completed and the area should be handed over back to Arasu Rubber Corporation within five months from the date of execution of agreement. If the felling work is not completed within stipulated time and there is loss to the Corporation, because of the delay in felling works, any damage caused to structure/miscellaneous trees or any other reasons, the Managing Director reserves the right to recover the loss from the contractor and levy an additional penalty to be recovered from the Contractor.

19. The successful tenderer will be allowed to continue the work only after remittance of money as in table B above.

20. The Contractor/tenderer/bidder shall pay the Income Tax/GST and any other levies for the value of latex, scrap and rubber wood to the Corporation along with payment of each

installment. In turn, the Corporation will remit the entire amount collected towards IT/GST/any other levies to the concerned authorities.

21. The successful tenderer/bidder should execute an agreement in sufficient stamp paper within five (5) days of remittance of the first installment of sale value to Arasu Rubber Corporation Limited. The agreement will be valid for five months from the date of execution of agreement.

22. The E.M.D of successful tenderer/bidder will be retained as security Deposit until completion of work and E.M.D of unsuccessful bidders will be returned.

23. The Managing Director of Arasu Rubber Corporation Limited has discretion to accept or reject all or any offers received in the auction cum tender without citing any reason whatsoever. The auction and tender may also be cancelled at any time before the issue of confirmation order by the Managing Director of Arasu Rubber Corporation Limited at his discretion without citing any reason (s).

24. During the contract period, the Corporation will not entertain any complaint of loss or damage on account of strike, flood, fire, earthquake, lightning, thunder, theft, pilferage or other natural calamities etc. to those for which order has been issued. The Corporation will not be liable for any compensation for loss or damage as stated above to the contractors/bidders on the life and property of their workers at any time/place during execution of work.

25. The Managing Director or any officer authorized by him has the right to inspect the field under contract during the contract period. They will further have the right to check the slaughter tapping and check the felling, loading and transport of rubber trees at any time at any place and under all circumstances.

26. The successful tenderer/bidder should ensure that there should not be any loss or damage, theft pilferage etc. to the latex, scrap, tree lace, cup lump or any other properties of Arasu Rubber Corporation in non-contracted areas under any circumstances if any complaint, theft, pilferage, etc. is proved, the entire contract will be cancelled and the EMD along with the remitted amount will be forfeited and in addition, further action will be taken by the Managing Director to recover the loss sustained by the Corporation and levy a penalty to the Contractor.

27. There should not be any obstruction from the contractors or their workers etc. for carrying out the normal duties of Arasu Rubber Corporation staff and workers.

28. Rubber seeds collected in the areas of felling of trees belong to the Corporation only.

29. No permanent construction/roads should be erected/formed in the contracted area. Temporary sheds can be fixed by the contractor after obtaining necessary written permission from the Divisional Manager by paying required fee and this temporary sheds have to be removed by the Contractor/bidder at his expenses after the contract period is over.

30. The members of the contractor firm/company shall enter the plantation area possessing identity cards issued by the firm/company/the contractor himself and the contractor/firm/company is solely responsible for any of their actions during the contract period.
31. The felled rubber trees or latex or scrap etc. shall be transported through Arasu Rubber Corporation Limited area between 6 A.M. to 6 P.M. only during the working days. Slaughter tapping, felling or any work will not be allowed on any holidays.
32. The acceptance or rejection of tender will be at the discretion of the Managing Director, Arasu Rubber Corporation Limited only. If the contractor disobeys any of the instructions on this, the Managing Director, Arasu Rubber Corporation Limited has the discretion to cancel the contract and to conduct retender at their risk in addition to the forfeiture of Security Deposit and value already paid.
33. In case of loss, if any, sustained to Arasu Rubber Corporation Limited on account of violation of terms and conditions, the contractor will be liable to reimburse to Arasu Rubber Corporation Limited the amount fixed by the Managing Director at his discretion.
34. The tenderer/bidder should not employ any worker/staff who are permanently employed by the Corporation.
35. During the contract period and at the time of carrying out the work if any accident, damage, etc. happens to the workers, agent or anybody employed by the Contractor, the contractor will be solely held responsible.
36. The Court in Nagercoil alone will have jurisdiction to deal with the legal disputes pertaining to this contract.
37. After completion of contract, the contractor shall obtain a certificate for completion of the work from the concerned Divisional Manager, after this only the release of Security Deposit will be considered. However, Managing Director reserves the right to get the completion certificate super checked and verified by himself or any other officer authorized by him, before releasing the EMD or taking further action to recover the loss and levy penalty, if required.
38. The change in condition or introducing new conditions over and above the existing condition relevant to the auction cum tender will be informed to the tenderer at the time of opening tender or at the time of confirmation of auction which they shall have to adhere to.
39. Necessary permit will be given by the competent authority to the contractor for the transport of latex and rubber wood from the area and the cost will be recovered from the contractor. The unused permits should be surrendered immediately to the competent authority after the operations are over.

40. The Contractor may transport the rubber wood either in person or he may authorize his agent in writing to do so. The person authorized by the contractor shall be considered as duly accredited agent of the contractor. The specimen signature of the authorized agent will be communicated to the concerned for identification etc.
41. The contractor should furnish the names of his workers who will be engaged by him with their fathers or husband's name with age and their permanent addresses to Arasu Rubber Corporation well in advance to prevent the entry of unauthorized persons into the area.
42. The contractor should do slaughter tapping/felling in the earmarked area only. Any breach of condition will result in termination of contract.
43. The contractors are allowed to fell only the contracted rubber trees. Any other trees, viz., boundary trees, teak trees and trees of any other species should not be felled under any circumstances. If any such irregularities are noticed the contract will be terminated spontaneously without notice and further action will be proceeded as deemed fit and Managing Director or his authorized Officer can take further necessary action to recover loss and levy a penalty on the contractor for causing such loss.
44. The Coupes are being sold for the purpose of replanting. Hence, any delay on the part of the tenderer/bidder to clear fell and transport the trees beyond the time limit will not be accepted. Therefore, no extension of time beyond the Contract period shall be granted in the normal course except under the circumstances that are proved to be beyond the control of the tenderer/bidder. The Managing Director may at his discretion, grant extension of time to a reasonable extent after satisfying himself about the bonafide circumstances with fine if necessary.
45. The tenderer/bidder shall take precautions not to damage or obstruct the telegraph, telephone or electric lines and posts during the contract period.
46. The Contractor hereby does bind himself to perform every duty and act expressed in the conditions of the tender notice. In the case of any act or omission on the part of the contractor, his employees and agent, which amount to a breach of the said conditions, the successful tenderers shall have to pay on demand, by the Managing Director, the loss and penalty at the discretion of the Managing Director.
47. The trees marked to indicate the boundary of the coupes should be kept intact till the clearance of other standing marked rubber trees in the allotted coupe and inspection of the coupe by the Divisional Manager concerned/any other official of the Corporation. They should be felled and removed only after getting permission from the Divisional Manager concerned.
48. The Corporation will tap the trees till the contractor starts the work.

49. The tenderers/bidders shall not be permitted to do any other work apart from slaughter tapping/felling and removal of rubber trees.
50. After receipt of 1<sup>st</sup> installment (as indicated in Table 'B'), the contractor will be allowed to enter the field to do the slaughter tapping in all Rubber trees and felling will be allowed for 1<sup>st</sup> strip only. After receipt of the 2<sup>nd</sup> and 3<sup>rd</sup> installment, felling will be allowed for 2<sup>nd</sup> and 3<sup>rd</sup> strip. If the contractor fails to make payment of 2<sup>nd</sup> and 3<sup>rd</sup> installment of 30% of the sale value in due date, the contractor will not be allowed to fell rubber trees inclusive of tapping of 2<sup>nd</sup> and 3<sup>rd</sup> strip and further action will be initiated as per Condition No. 17.
51. The Corporation will not provide men or materials for the slaughter tapping and felling of the trees. All the presently available cup hangers, spouts coconut shells and other materials will be taken over by the Corporation and it cannot be given to the contractor.
52. Felled Rubber trees can be sold subject to the rules and regulations of Rubber Board and the Government.
53. If the contractor fails to make payment or fails to do slaughter tapping and felling of the trees and removal as per the tender and agreement conditions and as per the conditions fixed by the Managing Director, the contract will be cancelled and the E.M.D will be forfeited. Further, a retender will be conducted at the risk and responsibility of the defaulted contractor/bidder and the loss if any (along with additional penalty) will have to be recovered from the defaulted contractor. The contractor shall not claim for the profit if any received on account of such retender by the Arasu Rubber Corporation.
54. The contractor is responsible for any illicit felling, pilferage of forest produce within one hundred meters from the boundary/Periphery of each bit/Coupe as shown in Annexure – I. The contractor or persons authorized by him shall not enter in any other area of Arasu Rubber Corporation Limited or reserve forest during the contract period.
55. Rubber firewood should be stacked in suitable and convenient sizes of stacks enabling the Arasu Rubber Corporation Limited staff to check measure the same easily.
56. The contractor should give/render the accounts before 10<sup>th</sup> of every month regarding the quantity of Rubber timber and Rubber firewood removed/transported by him from the coupe as well as the quantity of rubber latex transported from the area without fail under the cover of permit.
57. The contractor should handover the area back to Arasu Rubber Corporation Limited in good condition after all the operations are over in the coupe. The contractor is liable to pay any cost fixed by the Managing Director, Arasu Rubber Corporation Limited for any damage caused by him until he re-handovers the contract area.

58. In case of strike, agitations, lockouts or other factors beyond the control of the Corporation under which the contractor is not able to work, the sale shall either be cancelled or the period for payment of money and for removal of the materials, the voidah shall be extended proportionately.
59. The contractor shall not fell the marked rubber trees as reserved to the Corporation.
60. During peak rainy season in the respective zones, felling work should not done. This will be specified depending on the rainy season and intensity of rain.
61. The contractor shall be present in the contract area during the currency of the contract. In case, he is unable to be present, he may appoint an agent approved by the Managing Director, Arasu Rubber Corporation Limited, provided the contractor shall furnish a power of Attorney on a stamped paper of required value, in his favour to represent him on his behalf to do any act which he was undertaken to do under the terms of the agreement duly authorized by notary. He or his authorized agent shall remain present in the contract area throughout the contract period. Working in the contract area shall not be allowed in the absence of the contractor or his approved agent.
62. No materials shall be removed from contract area unless it is covered by a transit pass, issued in accordance with Forest Act and shall be stamped, where such stamping is needed as per the rules in force, with the registered property mark of the contractor. The property mark shall be got registered with competitive authority before making use of it, on payment of the prescribed Registration fees. The above mentioned mark shall abide by the transit rules in force in the respective states through or to which the forest produce is sought to be exported.
63. The tenderers/Bidders shall not be permitted to do any agricultural works during the contract period in the plantation area.
64. Should any dispute arise either in the working of the rubber plantations or with regard to the interpretations of the terms and conditions, the decision of the Managing Director, Arasu Rubber Corporation Limited, Nagercoil shall be final and binding on tenderer.
65. The Purchaser shall at all times abide by the provisions of Tamil Nadu Forest Act, 1882, Wildlife (Protection) Act 1972 and Forest Conservation Act 1980 and the rules and modification thereon. For any violation of any Act or Rule relating to conservation of Forests and Wildlife, necessary action will be initiated as per Rule of Law. Further, for any loss sustained by the Corporation, Managing Director shall recover the loss and levy a penalty on the contractor. Also, the contract may be terminated by the Managing Director for any violation of any of the Conditions.
66. The Contractor shall be responsible for the damages caused to the Arasu Rubber Corporation Roads and buildings and other allied Corporation materials etc. under the Jurisdiction of Arasu Rubber Corporation Limited.

67. Any additional tender conditions will be brought in the form of a special notice on the date of auction/tender.

68. The Managing Director (or) any officer authorized by him will announce change if any, in the auction cum tender conditions at the time of auction and tender, which cannot be questioned in any Court.

69. Registered Contractors participating in the auction or tender is deemed to be evidence as agreeing to all the conditions in this tender notice.

70. The Registered Contractors of Arasu Rubber Corporation Limited who are willing to purchase tender schedules through online, should remit cost of tender schedule +18% G.S.T as indicated in Annexure - I in the form of Demand Draft drawn in favour of Arasu Rubber Corporation Limited payable at Nagercoil (or) cash on or before submission of tender documents. Tender schedule can be down loaded in our website [www.arasurubber.tn.gov.in](http://www.arasurubber.tn.gov.in)

71. The tender document can be downloaded in Tamil Nadu Government Website in ID No.arc 174792
