Read:

1. G.O.(D) No.54, Environment and Forests (FR.5) Department, dated 09.03.2018.
 2. From the Principal Chief Conservator of Forests and Chief Wildlife Warden letter No.WL6/31426/2017, dated 20.07.2018.
-

ORDER:-

In the Government Order first read above, the Government have sanctioned a sum of Rs.14.74 lakh to tackle the problem caused by the wild animals and to drive them back into Forest areas during the year 2017-2018.

2. The Principal Chief Conservator of Forests and Chief Wildlife Warden has stated that during summer and peak agricultural seasons wild animals come out of forests for water and foraging. It is also observed that due to well co-ordinated efforts on conservation and protection of forests and wildlife measures, there is a rise in wildlife population in their habitat. This has lead to competition among them for food and water forcing them to come out of their habitat leading to man-animal conflicts. The conflicts with Elephants, Bison, Wild Boar, Deer, Peacock, Monkey, etc., entering into farmlands for food and water are on the rise. In many cases the communities have also showed lack of tolerance towards wildlife. Human elephant conflicts occur in many districts in the State.

3. The Principal Chief Conservator of Forests and Chief Wildlife Warden has further stated that the compensation for death, injury and damages to crops and property are often provided to the affected persons as per Government orders in force. However in order to reduce the hardship to the public, it is necessary to drive menaceful animals deep into forest. Hence he has requested to sanction a sum of Rs.50.00 lakh to tackle the problem caused by the Wild animals for the year 2019-2020.

(P.T.O)

4. The Government after careful examination of the proposal of the Principal Chief Conservator of Forests and Chief Wildlife Warden, accord sanction for a sum of Rs.14.74 lakh (Rupees fourteen lakh and seventy four thousand only) to tackle the problem caused by wild animals during the year 2019-2020 for the following circles as detailed below:-
