GENERAL NOTIFICATIONS

Schemes for online Processing of applications for Tree Felling and Tree Transit by Tamil Nadu Forest Department.

(Ref. No. GIS/19807/2017)

No. VI(1)/318/2017.

The Government of Tamil Nadu has been taking several steps to facilitate to facilitate the ease of doing business in the state based on the reforms suggested by Department of Industrial Policy and Promotion (DIPP), Government of India Business Reforms Action Plan 2017. The Reform Action Plan has identified fifteen points relating to No objection Certificate for Tree felling, Tree Transit Permission, and Inspection prior to felling of trees, relating to the Forest Department. Hence the Government after careful examination has decided to accept the recommendation of the State Business Reform Action Plan 2017 and mandates the following:

- | <i>Sl.No.</i> | <i>Name of the application</i> |
|---------------|---|
| 1. | All applications for NOC for tree felling shall be made online <ul style="list-style-type: none"> • Procedure for permission/ intimation for felling of trees.(Annexure-I) • Procedure for well defined inspection and checklist for felling and selling of sandalwood trees. (Annexure-II) • Well defined inspection procedure and checklist for felling of red sanders, black wood, silver oak, rose wood and teak trees. (Annexure-III) |
| 2. | All applications for tree transit permission shall be made online <ul style="list-style-type: none"> • Procedure for property mark registration/ renewal and issue of tree transport permit. <ul style="list-style-type: none"> • Well defined inspection procedure and checklist for renewal / registration of property mark and issue of transit permits for non-exempt tree species other than red sanders. (Annexure-IV) • Well defined inspection procedure and checklist for registration/renewal of property mark and issue of transit permits for red sanders.(Annexure-V) • Procedure for property mark registration/ renewal and issue of tree transport permit. (Annexure-VI) |

ANNEXURE - I

PROCEDURE FOR PERMISSION/ INTIMATION FOR FELLING OF TREES

- | | | |
|---|--|---|
| 1 | Competent Authority | Forest Department, Government of Tamil Nadu |
| 2 | Stage | Procedure for Permission/Intimation for felling of trees |
| 3 | Approving Authority | District Forest Officer (DFO) |
| 4 | Pre-conditions for application procedure | <ol style="list-style-type: none"> 1. If the area in which the trees are to be felled falls under Private Forest or Hill Area as per the TN Preservation of Private Forest Act, 1949 or the TN Hill Area (Preservation of Trees) Act, 1955, the concerned District Collector(Chairman of the District Committee) is to be approached. 2. If the area is a Reserved Forest/ Reserved Land/ Protected Area (Sanctuary, National Park or Conservation Reserve), the felling of trees would be part of the process for diversion of forest land as per the Forest (Conservation) Act 1980. The NOC for felling of trees in these areas is issued by Ministry of Environment, Forests and Climate Change and can be obtained from its website (www.forestclearance.nic.in). In such cases, the issue of NOC for tree felling by Tamil Nadu Forest Department separately does not arise. |

3. For all other areas other than those mentioned in (1) and (2), such as Patta (private) land and Revenue land, the procedure for permission/intimation for felling of trees (depending on the species classification) is given below:
 - For Sandalwood, the tree(s) after felling shall be sold only to Government. The combined procedure is elaborated in Procedure I below.
 - For the other Scheduled timber trees namely Black wood, Rose wood, Silver oak, Teak and Red Sanders, no permission for felling of trees is required, however prior intimation is mandatory 15 days before felling and the procedure is elaborated in Procedure II, below.
 - For all other tree species, no permission or intimation for felling of trees is required.

5 Procedure I
and Documents
Required

Procedure for obtaining permission for felling and selling of sandal wood trees

1. Apply in the online web portal (www.forests.tn.gov.in) along with all required documents as listed below.

Documents Required (to be uploaded in the portal):

- a. Proof of certificate of ownership of the land in which the sandalwood trees are grown, as issued by the Tahsildar.
- b. Copy of Chitta / Adangal.
- c. FMB (Filed Measurement Book) Sketch of the patta land.
- d. Proof of the deed of tenancy, lease, mortgage with possession or otherwise executed in favour of the owner of the sandalwood tree.
- e. List of sandalwood trees proposed to be sold.

<i>Tree number</i>	<i>Species</i>	<i>Girth (in cm) at 1.37m height from ground level</i>	<i>Height (m)</i>	<i>Age (Approximately)</i>

2. The DFO shall examine the application and other documents furnished by the applicant and verify the ownership of the sandalwood trees that are proposed to be sold to the Government. In case of any queries on the application, the DFO shall raise queries through the online portal within 7 days from receipt of the application.
3. The DFO shall immediately or after clarification of the queries, forward the application to the concerned Forest Range Officer based on the jurisdiction.
4. The Forest Range Officer (FRO) shall inspect all the sandalwood trees which are proposed to be felled & sold and mark such trees for extraction. The FRO shall submit the inspection report to the District Forest Officer (DFO)/ Assistant Conservator of Forests (ACF) within 15 days of after receiving the application from DFO.
5. Within 10 days on receipt of the FRO report, the District Forest Officer (or) the Assistant Conservator of Forests shall check at least 10% of the Sandalwood trees (i.e., one in every ten trees) proposed to be sold.
6. Post inspection, the DFO shall populate and upload the inspection report on the portal within 48 hours.
7. The DFO/ACF shall verify the condition of the sandalwood trees proposed to be sold and the documents furnished by the owner of the sandalwood tree at the time of submission along with the inspection report prepared by the FRO. The DFO shall grant permission to fell those sandalwood trees and sell the same to the Government (subject to such conditions as he may think fit and in accordance with the provisions of the rules).

[G.O.Ms.No.140.E&F(FR4)20.10.2008 - The Tamil Nadu Sandal Wood Trees on Patta Land Rules - 2008.]

8. The DFO shall issue a digitally signed final permit within 3 days after uploading the inspection report and communicate to the owner of sandalwood tree and the concerned FRO. (The District Forest Officer may also refuse to grant such permission, after recording the reason therefore).

Timeline for issuing NOC: maximum of 37 days

- 6 Procedure II and Documents Required

Procedure for prior intimation of felling of Red sanders, Black wood, Silver oak, Rose wood and Teak trees

1. Apply in the online web portal www.forests.tn.gov.in along with all required documents as listed below:

Documents Required (to be uploaded in the portal):

- a. Proof of certificate of ownership of the land in which the sandalwood trees are grown, as issued by the Tahsildar;
- b. Extract of Chitta / Adangal;
- c. FMB Sketch of the patta land;
- d. Proof of the deed of tenancy, lease, mortgage with possession or otherwise executed in favour of the owner of the sandalwood tree;
- e. List of tree(s) proposed to be sold.

<i>Tree number</i>	<i>Species</i>	<i>Girth (in cm) at 1.37m height from ground level</i>	<i>Height (m)</i>	<i>Age (Approximately)</i>

2. The District Forest Officer (DFO) shall examine the application and other documents furnished by the applicant. In case of any queries on the application, the DFO shall raise queries through the online portal within 5 days from receipt of the application.
3. The DFO shall inspect the trees that are proposed to be felled and verify the trees as well as ownership of the land. DFO may also delegate the inspection to ACF or FRO. The inspection shall be completed within 8 days.
4. Post inspection, the DFO shall populate and upload the inspection report on the portal within 48 hours.
5. The DFO shall grant permission for the felling of trees by issuing a digitally signed NOC through the online portal within 3 days on uploading the inspection report and communicate to the owner of the trees and the concerned FRO.

Timeline for issuing NOC: within 18 days on the receipt of the online application

- 8 Important additional information
1. As per Rule 3-A of the Tamil Nadu Maintenance of Accounts in respect of Scheduled Timber for Industrial or Commercial Purposes Rules, 1988, a person can store more than 0.5 cubic meter of Scheduled timber without distinguishable Government mark or property mark affixed on such Scheduled timber if such Scheduled timber is obtained by felling standing trees in his own land or in any other person's private land and he has informed the District Forest Officer having jurisdiction over the area, fifteen days in advance of such storage and has applied for property mark within fifteen days of such storage. The Scheduled timber trees referred to in this rule are: Black wood, Rose wood, Silver oak, Teak and Red Sanders
 2. For other non-exempt non-scheduled trees, the application for registration of the property mark is to be submitted soon after felling of the trees.
 3. The following Acts and Rules may be perused for additional information in this regard
 - Tamil Nadu Forest Act, 1882.
 - TN Preservation of Private Forest Act, 1949
 - TN Hill Area (Preservation of Trees) Act, 1955
 - Tamil Nadu Sandalwood Transit Rules 1967
 - Tamil Nadu Timber Transit Rules 1968
 - Tamil Nadu Sandalwood Possession rules 1970
 - Tamil Nadu Sandalwood Trees Patta Land rules, 2008
 - Tamil Nadu Maintenance of accounts in respect of Scheduled
 - Timber for Industrial or Commercial Purposes rules, 1988 (Read with amendment rules in 2010)

ANNEXURE - II**PROCEDURE FOR WELL DEFINED INSPECTION AND CHECKLIST FOR FELLING AND SELLING OF SANDALWOOD TREES**

1. After the receipt of the application with relevant documents (mentioned below in the check-list) from the DFO, the Forest Range Officer (FRO) shall inform the applicant the date of inspection (SMS/Mail to the registered mobile/ email ID).
2. The applicant shall be available on the specified date of inspection and shall provide all the originals of the submitted documents for the FRO to verify.
3. The applicant shall accompany the FRO during the field visit and show the trees proposed to be sold and assist the FRO to mark such trees for extraction.
4. FRO shall submit the inspection report within 15 days on receipt of the application from the DFO.
5. Within 10 days on receipt of the FRO report, the District Forest Officer (or) the Assistant Conservator of Forests shall check at least 10% of the Sandalwood trees (i.e., one in every ten trees) proposed to be sold and upload the inspection report within 48 hours. (The applicant shall accompany the DFO during the field visit).

CHECK LIST

1. Certificate of Ownership of Land in which Sandalwood trees are grown, as issued by Tahsildar.
2. Extract of Chitta/Adangal.
- 3.
4. Field Measurement Book (FMB) sketch of Patta Land.
5. Copy of Deed of Tenancy, Lease and Mortgage with Possession or otherwise executed in favour of the owner of the sandalwood trees.
6. List of sandal wood trees to be sold.

<i>Sandal wood Tree number</i>	<i>Girth at 1.37m height from ground level (in cm)</i>	<i>Height (m)</i>	<i>Age of the tree</i>

ANNEXURE - III**WELL DEFINED INSPECTION PROCEDURE AND CHECKLIST FOR FELLING OF RED SANDERS, BLACK WOOD, SILVER OAK, ROSE WOOD AND TEAK TREES**

1. After the receipt of the application with relevant documents (mentioned below in the check-list), the concerned District Forest Officer or the Assistant Conservator of Forests (ACF) or the Forest Range Officer (FRO) shall inform the applicant the date of inspection (SMS/Mail to the registered mobile/ email ID).
2. The applicant shall be available on the specified date of inspection and shall provide all the originals of the submitted documents for the DFO/ACF/ FRO to verify.
3. The applicant shall accompany the DFO/ACF/FRO during the field visit and show the trees proposed to be felled.
4. Fulfilling all the criteria, the DFO should upload the Felling Permission (NOC) within 18 days on receipt of the application from the Applicant.

CHECKLIST

- a. A certificate of ownership of the land in which the tree(s) are grown, as issued by the Tahsildar;
- b. Extract of Chitta / Adangal;
- c. Sketch of the patta land;
- d. A copy of the deed of tenancy, lease, mortgage with possession or otherwise executed in favour of the owner of the tree(s);
- e. List of tree(s) proposed to be cut.

<i>Tree number</i>	<i>Tree species name</i>	<i>Girth at 1.37m height from ground level (in cm)</i>	<i>Height (m)</i>	<i>Age of the tree</i>

ANNEXURE - IV**WELL DEFINED INSPECTION PROCEDURE AND CHECKLIST FOR RENEWAL / REGISTRATION OF PROPERTY MARK AND ISSUE OF TRANSIT PERMITS FOR NON-EXEMPT TREE SPECIES OTHER THAN RED SANDERS**

1. After the receipt of the application with relevant documents (mentioned below in the check-list) from the DFO, the Assistant Conservator of Forests (ACF) or the Forest Range Officer (FRO) shall inform the applicant the date of inspection (SMS/ Mail to the registered mobile/ email ID).
2. The applicant shall be available on the specified date of inspection and shall provide all the originals of the submitted documents for the ACF/ FRO to verify.
3. The applicant shall accompany the ACF/ FRO during the field visit and show the trees/ timber stored proposed to be transported.
4. The ACF/ FRO shall estimate the volume of the timber proposed for transport and a voidah period required for the transport
5. If the timber stored qualifies for issue of transport permit after verification, the departmental hammer mark shall be affixed on the timber proposed to be transport.
6. ACF/ FRO shall submit the inspection report within 15 days on receipt of the application from the DFO.

CHECKLIST

- a. Chitta and adangal of the land issued by concerned authority
- b. Ownership certificate issued by VAO (Village Administrative Officer)
- c. FMB sketch of the land from where trees were felled.
- d. Sale deed copy if the purchaser requires permit.
- e. Power of attorney in case any authorized agents needs permit.
- f. Copy of Felling Permission issued by the District Forest Officer in case of Black Wood, Rose Wood and Teak.
- g. List of tree(s)/timber species proposed to be transport.

<i>S.No</i>	<i>Tree species name</i>	<i>Volume (in tones)</i>
<i>Total Volume</i>		

ANNEXURE - V**WELL DEFINED INSPECTION PROCEDURE AND CHECKLIST FOR REGISTRATION/RENEWAL OF PROPERTY MARK AND ISSUE OF TRANSIT PERMITS FOR RED SANDERS**

1. After the receipt of the application with relevant documents (mentioned below in the check-list) from the DFO, the Assistant Conservator of Forests (ACF) or the Forest Range Officer (FRO) concerned shall inform the applicant the date of inspection (SMS/Mail to the registered mobile/ email ID).
2. The applicant shall be available on the specified date of inspection and shall provide all the originals of the submitted documents for the ACF/ FRO to verify.
3. The applicant shall accompany the ACF/ FRO during the field visit and show the trees/ timber stored proposed to be transported.
4. The ACF/ FRO shall estimate the volume of the red sanders wood proposed for transport and a voidah period required for the transport
5. If the timber stored qualifies for issue of transport permit after verification, the departmental hammer mark shall be affixed on the timber proposed to be transport.
6. ACF/ FRO shall submit the inspection report within 15 days on receipt of the application from the DFO.

CHECKLIST

- a. Chitta and adangal of the land issued by the concerned authority
- b. Ownership certificate issued by VAO (Village Administrative Officer)
- c. FMB sketch of the land from where trees were felled.
- d. Sale deed copy if the purchaser requires permit.
- e. Power of attorney in case any authorized agents needs permit.
- f. Copy of Felling Permission issued by the District Forest Officer for Red Sanders proposed for transport.
- g. Certificate of origin is compulsory for the traders and subsequent export of such red sander wood and its derivatives.
- h. List of tree(s)/timber species proposed to be transport.

S.No	Tree species name	Volume (in tones)
Total Volume		

ANNEXURE - VI

PROCEDURE FOR PROPERTY MARK REGISTRATION/ RENEWAL AND ISSUE OF TREE TRANSPORT PERMIT

- | | | |
|---|--|--|
| 1 | Competent Authority | Forest Department, Government of Tamil Nadu |
| 2 | Stage | Procedure for property mark registration/ renewal and issue of tree transport permit. |
| 3 | Approving Authority | District Forest Officer (DFO) |
| 4 | Pre-conditions for application procedure | <ol style="list-style-type: none"> 1. Tree (timber) transit is being governed by Tamil Nadu Timber Transit Rules 1968. For the purpose of regulating the transit of timber in the state of Tamil Nadu, the Tree species have been broadly classified in to two categories as follows: <ol style="list-style-type: none"> a. Exempted tree species b. Non exempted tree species 2. In case of exempted tree species, the timber or logs of such species does not require permits for transportation from one place to another. The list of exempted tree species is provided in Annexure 1. 3. The Non-exempted tree species (all tree species not found in Annexure 1), require legal permits for transit. Registration of property mark is mandatory for the issue of tree transit permit. This could be applied simultaneously along with tree transit permit. 4. The procedure for issue of transit permit varies depending on the species: <ol style="list-style-type: none"> i. Non-exempt tree species other than red sanders species is elaborated in Procedure I below. ii. Red sanders species is elaborated in Procedure II below. |

Note:

Timber excludes bamboos and fuel billets not exceeding 12 decimetres in length. All sawn timber where the smallest dimension is less than 5 cm in thickness and does not exceed 12 decimetres in length shall not qualify as "timber" for fixing department hammer marking.

- 5 Procedure I and Documents Required
- Procedure for property mark registration and issue of transit permits for Non-exempt trees other than Red Sanders Trees/ Timber

1. Apply in the online web portal www.forests.tn.gov.in for property mark registration/ renewal and issue of transit permit along with all required documents and fee.

Documents Required (to be uploaded in the portal):

- a. Extract of Chitta and adangal of the land issued by concerned authority
- b. Ownership certificate issued by VAO (Village Administrative Officer)
- c. FMB sketch of the land from where tree were felled.
- d. Sale deed copy of timber(if the purchaser requires permit).
- e. Power of attorney (in case any authorized agents needs permit).
- f. Fee receipt (scanned copy of Treasury Challan)

(Challan available at.....)

Fee specified below to be paid:

Registration of Property mark: Rs. 200

Renewal of Property mark: Rs. 50

(The fee once paid by the applicant shall not be refunded under any circumstances.)

2. The District Forest Officer (DFO) shall examine the application and other documents furnished by the applicant and verify the following:
 - details related to distinctive property mark
 - information relating to the locality, quantity of wood available and any other details required in order to give effect to the rules
3. In case of any clarification to be made to the applicant, the DFO shall raise queries in the portal **within 7 days** on receipt of the application.
4. If clarification is not required or after clarification, the DFO shall forward the application to the concerned Assistant Conservator of Forests (ACF) or the Forest Range Officer (FRO) for the inspection, who shall inspect the stored timber and shall affix the departmental hammer mark on the timber.
5. On completion of the hammer marking on the timber to be transited, inspection report shall be type online and uploaded in the portal **within 48 hrs** from the date of inspection. (The inspection and submission of inspection report shall be completed **within 15 days**)
6. In parallel, the property mark shall be registered at the District Forest Office and a certificate will be granted/ uploaded by the DFO on the registration of the property mark **within 20 days**.
7. Fulfilling all the criteria, the transit permit permission shall be digitally signed and uploaded by the DFO **within 3 days** after uploading the inspection report and shall be communicated to the concerned Forest Range Officer and to the owner of the trees requiring transit permit. (The District Forest Officer may also refuse to grant such permission, after recording the reason therefore).
8. Based on the transit permit permission issued by DFO, the RFO collects the prescribed fee of Rs.50/- for each permit and issues the permit as and when requested by the applicant. (one permit/10 tonnes or one permit/vehicle whichever is applicable)
9. The RFO should send the copy of the issued transit permit to DFO for uploading in the website

Timeline for issue of transit permit: maximum of 25 days Property mark – maximum of 20 days

6. Procedure II
and Documents
Required

Procedure for property mark registration and issue of transit permits for Red Sanders Trees/ Timber

1. Apply in the online web portal www.forests.tn.gov.in for property mark registration/ renewal and issue of transit permit along with all required documents and fee to the District Forest Officer (DFO).

Documents Required (to be uploaded in the portal):

- a. Extract of Chitta and adangal of the land issued by concerned authority
- b. Ownership certificate issued by VAO (Village Administrative Officer)
- c. FMB sketch of the land from where tree were felled.
- d. Sale deed copy if the purchaser requires permit.
- e. Power of attorney in case any authorized agents needs permit.
- f. Fee receipt (scanned copy of Treasury Challan)

(Challan available at.....)

Fee specified as below:

Registration of Property mark: Rs. 200

Renewal of Property mark: Rs. 50

(The fee once paid by the applicant shall not be refunded under any circumstances.)

2. The DFO shall examine the application and other documents furnished by the applicant and verify the following:
 - details related to distinctive property mark
 - information relating to the locality, quantity of wood available and any other details required in order to give effect to the rules
3. In case of any clarification to be made to the applicant, the DFO shall raise queries within **7 days** on receipt of the application.
4. If clarification is not required or after clarification, the DFO shall forward the application to the concerned Assistant Conservator of Forests (ACF) or the Forest Range Officer (FRO) for the inspection, who shall inspect the stored timber and shall affix the departmental hammer mark on the timber.
5. On completion of the hammer marking on the timber to be transited report shall be type online and uploaded in the portal within **48 hrs** from the date of inspection. (The inspection and submission of inspection report shall be completed **within 15 days**)
6. Fulfilling all the criteria, the transit permit permission shall be uploaded by the DFO within **10 days** (transit within State) / **20 days** (transit outside the State) and shall be communicated to the concerned Forest Range Officer and to the owner of the trees requiring transit permit. (The District Forest Officer may also refuse to grant such permission, after recording the reason therefore).
7. Based on the transit permit permission issued by DFO, the FRO collects the prescribed fee of Rs.50/- for each permit and issues the permit as and when requested by the applicant.(one permit/10 tonnes or one permit/vehicle whichever is applicable)
8. The FRO should send the copy of the issued transit permit to DFO for uploading in the website

Regulations for transit of Red Sander wood

1. For within the Tamil Nadu State limit, the concerned District Forest Officer obtains the approval of Conservator of Forest before issuing transit permit in case the quantity of the cleaned Red Sander wood including converted article exceeds **10 MT**.
2. The person who receives the Red Sander logs / woods / chips / powder/article needs to inform to DFO having jurisdiction over the proposed storage facilities within 24 hours of receipt of such property and apply for possession certificate with proper documents.
3. For transport of Red Sander timber, logs / woods / chips / powder / article or its derivatives to outside the state of Tamil Nadu and country, the District Forest Officer needs to get prior approval of the Principal Chief Conservator of Forest, Chennai irrespective of the quantity.
4. In case of Red Sander trees found fallen/broken/damaged due to natural calamity, the applicant shall inform DFO concerned within 15 days of such events and apply for property mark/ transit permit to intermediate depot.
5. Certificate of origin is compulsory for the traders and subsequent export of such red sander wood and its derivatives.
Timeline for issue of transit permit for Red Sander Wood: within the state maximum – 32 days and outside the State maximum – 42 days.

7 Important additional information

- As per Rule 3-A of the Tamil Nadu Maintenance of Accounts in respect of Scheduled Timber for Industrial or Commercial Purposes Rules, 1988, a person can store more than 0.5 cubic meter of Scheduled timber without distinguishable Government mark or property mark affixed on such Scheduled timber if such Scheduled timber is obtained by felling standing trees in his own land or in any other person's private land and he has informed the District Forest Officer having jurisdiction over the area, fifteen days in advance of such storage and has applied for property mark within fifteen days of such storage.
- For other non-exempt non-scheduled trees, the application for registration of the property mark is to be submitted soon after felling of the trees.

ANNEXURE

Exempted Scheduled Timber species

S. No.	Botanical name	Tamil name	Trade name
1	<i>Prosopis juliflora</i>	Seemaikaruvel or Velikaruvai	The Mesquite
2	<i>Casuarina equisetifolia</i>	Savukku	Casuarina
3	<i>Leucaena leucocephala</i>	Savundal	Subabul
4	<i>Borassus flabellifer</i>	Panai	Palmyrah
5	<i>Erythrina indica</i>	Kalyana murungai	Dadops
6	<i>Acacia planifrons</i>	Nattu Odai	Umbrella thorn
7	<i>Acacia leucophloea</i>	Velvelan	White Bark Acacia Panicked Acacia
8	<i>Ailanthus excelsa</i>	Perumaram, Pinari, Pimaram	Maharukh
9	<i>Albizia lebbbeck</i>	Vagai	Maharukh, East Indian Walnut, Siris
10	<i>Anacardium accedentale</i>	Munthiri	Cashew
11	<i>Anthocephalus cadamba</i>	Vella Kadambu, Kola-aiyila	Kadam
12	<i>Artocarpus heterophyllus</i>	Pala	Jack
13	<i>Azadirachta indica</i>	Vembu	Neem, Margosa
14	Bamboo (All species)	Mungil	Bamboo
15	<i>Bombax ceiba</i>	Elavamaram, Mullilavu, Ilavu	Red silk cotton tree, Kapok
16	<i>Caesalpinia sappan</i>	Sapangu, Patunga	Sappan
17	<i>Cassia siamea</i>	Ponnavarai, Manja konnai	Cassia
18	<i>Casuarina junghuniana</i>	Savukku	Casuarina

S. No.	Botanical name	Tamil name	Trade name
19	<i>Ceiba pentandra</i>	Elavampanju, Ulagamaram	White silk cotton tree, Kapok
20	<i>Dalbergia sissoo</i>	Sissoo, Shisham	Sissoo
21	<i>Erythrina</i> (All species)	Kalyana Murungai, Murukku	Coral tree
22	<i>Eucalyptus</i> (All species except <i>E.globulus</i> and <i>E.grandis</i>)	Thailamaram (excepting Karpuramaram)	Eucalyptus
23	<i>Gmelina arborea</i>	Kumil, Kumalan, Kumla	Gamari
24	<i>Hevea braziliensis</i>	Rubber maram	Rubber
25	<i>Hibiscus tiliaceus</i>	Neer paruthi, Aatru-puvarasu	Sea Hibiscus
26	<i>Madhuca species</i> (All species)	Illuppai	Mohua
27	<i>Mangifera indica</i>	Mamaram	Mango
28	<i>Melia azadirachta</i>	Malai vembu, Turuka vembu	Persian Lilac
29	<i>Melia dubia</i>	Malai Masaveppu	Malabar Neem
30	<i>Morinda tomentosa</i>	Manjanathi, Nona	Morinda, Suranji
31	<i>Pithecellobium species</i> (All species)	Kodukapuli, Korukkappuli	Manila Tamarind
32	<i>Pongamia pinnata</i>	Pungam, Pungan	Pongam, Indian Beach
33	<i>Samanea saman</i>	Thoongu Moonji Maram	Rain tree
34	<i>Sweitenia macrophylla</i>	Mahogany	Mahogany
35	<i>Sweitenia mahogani</i>	Mahogany	Mahogany
36	<i>Syzygium species</i> (All species)	Naaval	Jamun, Indian cherry
37	<i>Tamarindus indica</i>	Puli, Puliyan	Tamarind
38	<i>Tecoma stans</i>	Swarna patti	Esperanza
39	<i>Thespesia populnea</i>	Poovarasu	Indian Portia tree, Indian Tulip
40	<i>Toona ciliata</i>	Malaivembu, Santhanavembu	Red Cedar, Toon
41	<i>Gravillea robusta</i>	Silver Oak, Seemai savukku	Silver oak
