**EXTRACT OF THE MINUTES OF THE MEETING OF THE CENTRAL
EMPOWERED COMMITTEE HELD ON 10.12.2008 REGARDING WOOD-
BASED INDUSTRIES IN TAMIL NADU**

The State of Haryana and Punjab, which earlier did not have any Saw Mill Rules as on 30.10.2002, have since notified Saw Mill Rules under the relevant section of the Indian Forest Act. In these States, the Central Empowered Committee has permitted grant of Saw Mill licences to all the wood-based industries which were legally established / operating prior to 30.10.2002. In the case of Tamil Nadu, which falls in the same category of States, similar procedure was agreed to be followed. For this purpose a provisional list of the legally established wood based industries existing as on 30.10.2002 may be prepared by the Tamil Nadu Forest Department. After giving wide publicity to this provisional list, objections from the aggrieved parties may be invited and the final list may be prepared after giving opportunity of being heard. After preparation of the final list and after obtaining the permission of the Central Empowered Committee all such units may be granted licences under the relevant Saw Mill Rules after the same are notified;
